

We need a real stimulus that actually addresses job creation.

We are asking you, our elected official, to co-sponsor, promote, and support the passage of the  bill.

Passage of this bill would bring real job growth to this country. It would increase revenue and make the U.S. a tax haven.

It would also provide broad support for Social Security and Medicare.

With it will come a freedom to the people that has been unmatched since the Revolutionary War.

You owe it to your constituents!
